EB Docket No. 06-36

STATEMENT OF COMPLIANCE PROCEDURES

Dial World Network, Inc. is a provider of wholesale long distance services to other registered carriers.

To the fullest extent possible, Company ensures that its business methods and operating procedures are in compliance with FCC rules pertaining to CPNI.

As a provider of wholesale long distance services to other registered carriers, Company generally does not have access to customer information such as name, address, and other personal information. Company's access to CPNI is limited to Call Detail Records and other data collected by its switches, which are useless since there is no personal customer information to relate to.

Company does conduct a limited number of transactions over the Internet through which personal and/or corporate information is obtained from prospective carrier customers. Such information is used exclusively to coordinate circuits and process payments.

In any case, Company does not use CPNI for marketing purposes and ensures that the limited CPNI it does have access to are not sold or given to any third parties for any purpose, unless pursuant to lawful subpoena.
